The music heart

The beat

The beat is the rhythmic pattern of music.

1 Sing «Twinkle, Twinkle».

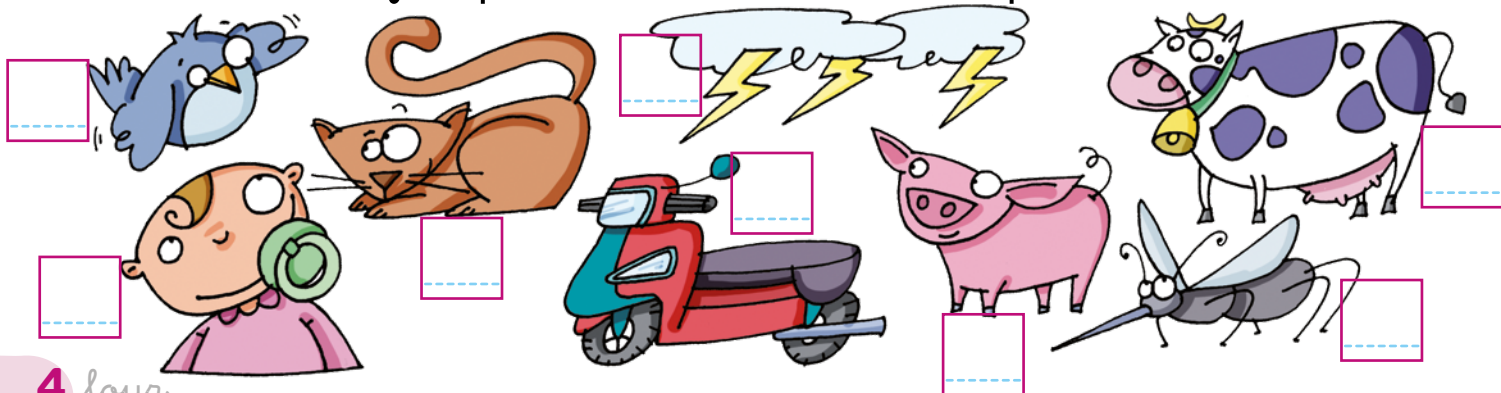

♥ ♥ ♥ ♥ ♥ ♥ ♥ ♥
Twinkle, twinkle lit- tle star,

♥ ♥ ♥ ♥ ♥ ♥ ♥ ♥
how I wonder what you are.

Up above the world so high,
like a diamond in the sky.

Sounds can be high-pitched or low-pitched.

2 Write high-pitched (H) or low-pitched (L).

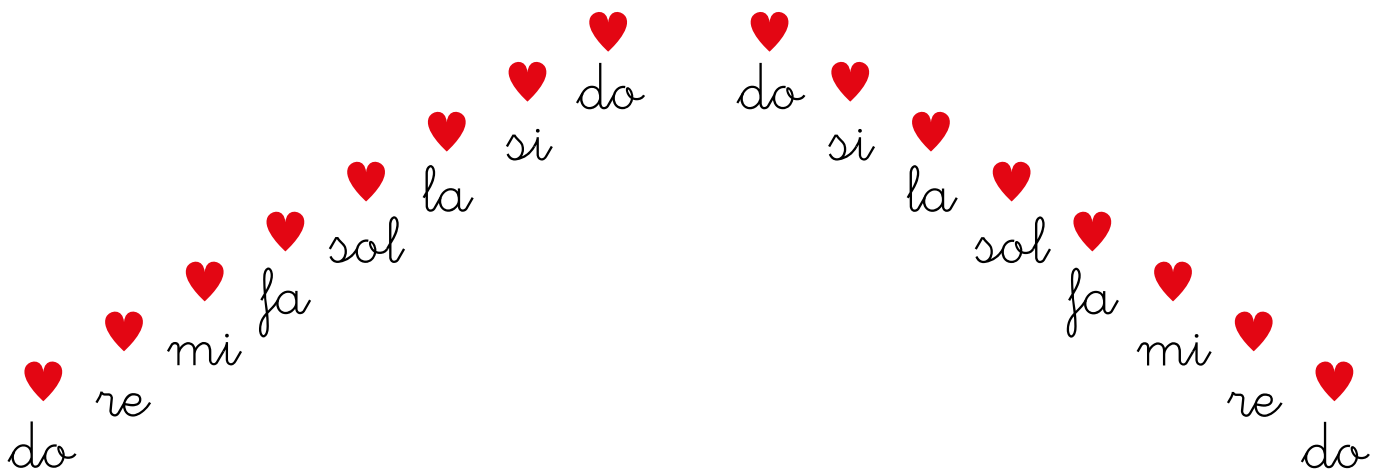

1 Sing «All the Notes of the Scale».

All the no-tes of the scale

went out for a walk to-day
I have seen them very happy
and they were singing all the time.

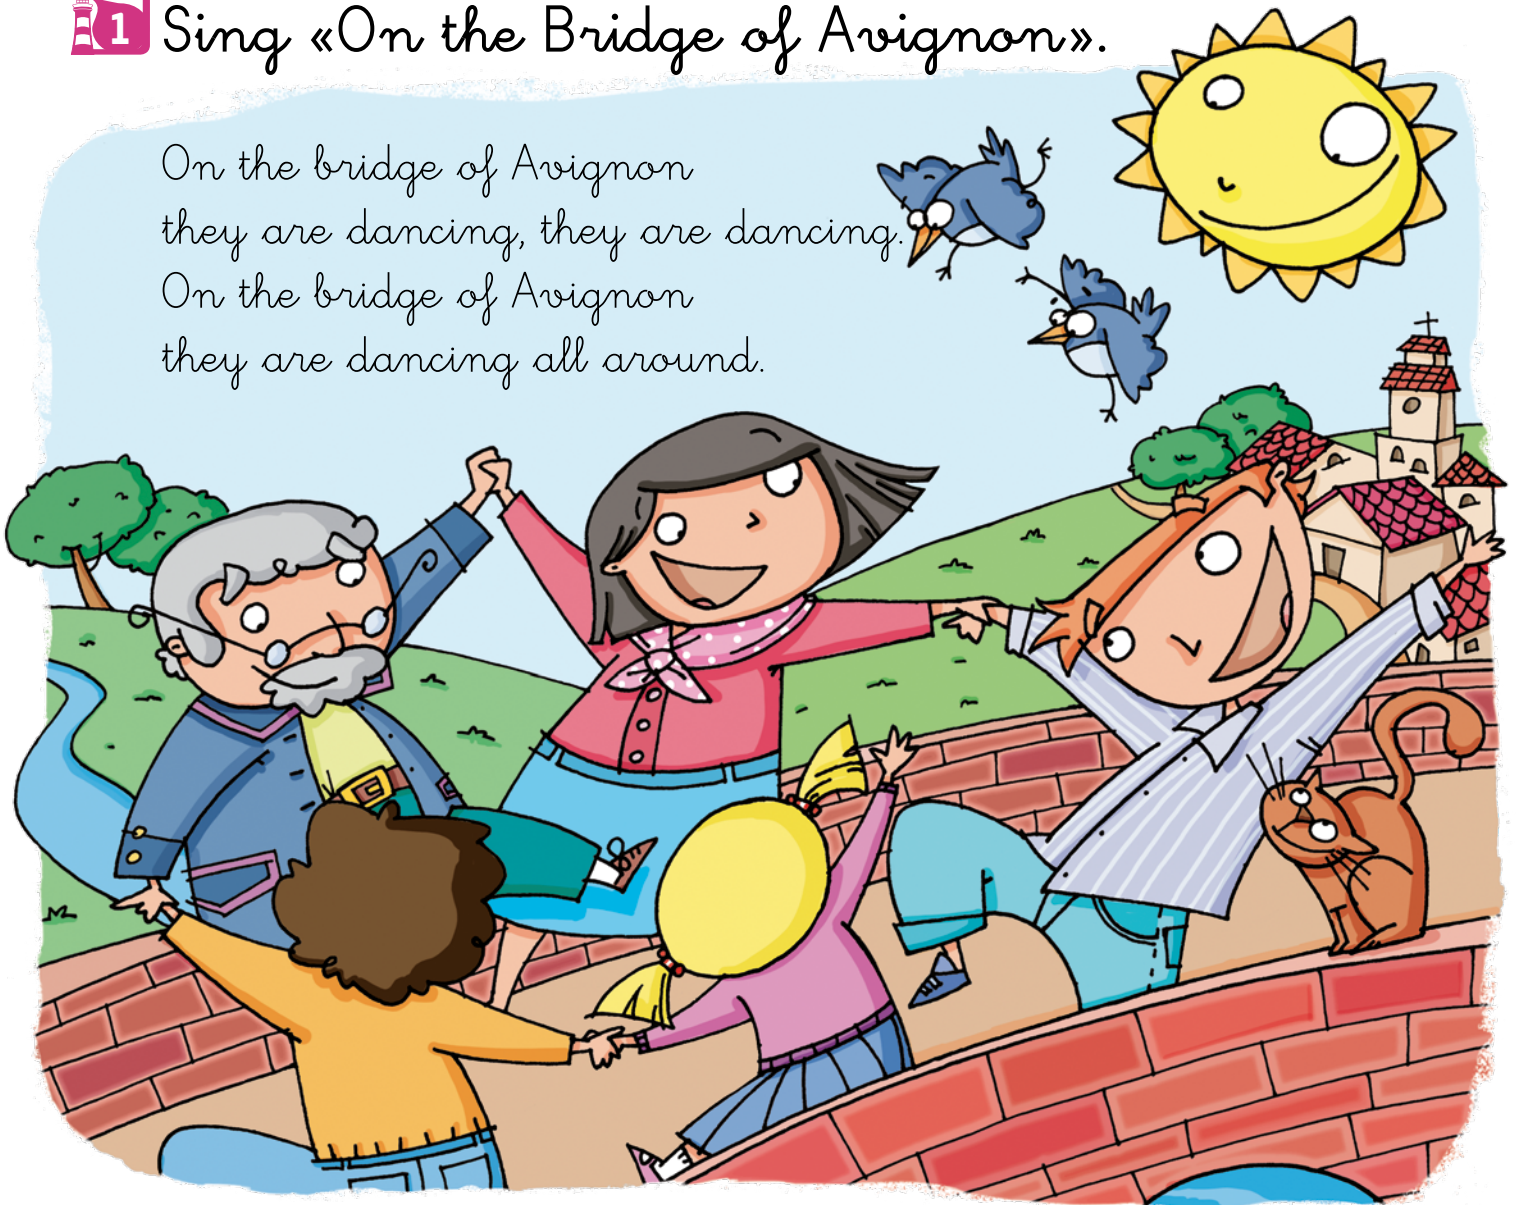

2 Write high-pitched (H) or low-pitched (L).

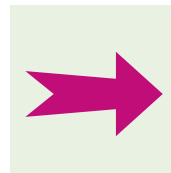

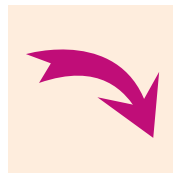

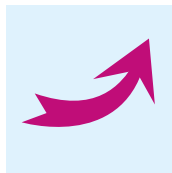

1 Sing «On the Bridge of Avignon».

On the bridge of Avignon
they are dancing, they are dancing.
On the bridge of Avignon
they are dancing all around.

2 Does the sound go up, down or stay level?

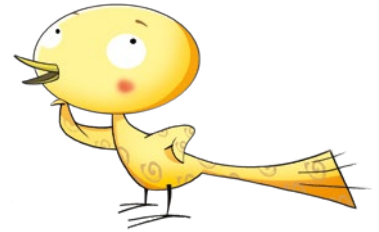

The tambourine

The tambourine is a percussion family instrument.

It is a wooden ring with a tensed leather or plastic membrane.

Its sound can be strong or weak.

1 Does it sound strong ● or weak ○?
